

Thank You!

Our Bunnings BBQ on Sunday October 9th was yet another success as we raised a total of **\$1127.71**. All the funds raised at this event will go directly into purchasing new toys for our library.

On behalf of all of our members we would like to express our appreciation for the time and support that the following people gave this fundraising event:

Sarah R Moly K Ildiko Mina S Andrew R

Jamie M Kari Ram J Jimmy Brendan K

Jillian M Jono B Kristin

A big thank you also needs to be extended to **David and Amanda Birch** who put a lot of effort into a very successful fundraising year! Your organisation and commitment to our BBQs has been very much appreciated!

Stock Take is Nearly Here!

It is a condition of your membership, as our Toy Library is 100% volunteer run and you are one of our volunteers that you participate in our annual stocktake. We only do this once a year and it allows us to clean and repair our toys ready for the next year. It also gives us an opportunity to audit which toys are popular, what we need to purchase more of or replace if they are getting old or are damaged.

This year we have a number of stocktake options available for members to choose from:

PUZZLE STOCKTAKE SHIFTS AVAILABLE:

10am – 11:30am SATURDAY 19th NOVEMBER

10am – 11:30am SATURDAY 26th NOVEMBER

STOCKTAKE WEEKENDS SHIFTS AVAILABLE:

9am – 12pm SATURDAY 3rd DECEMBER

1pm – 4pm SATURDAY 3rd DECEMBER

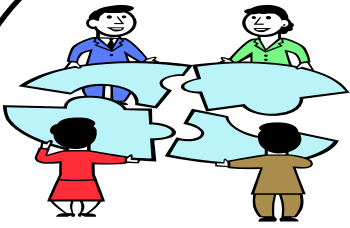

9am – 12pm SUNDAY 4th DECEMBER

Sign up sheets will be available during duty sessions from Saturday 15th October. If you can't get into sign up or none of the dates above are suitable for you please contact Kristin at kristin@admtech.com.au or call 0409 010 504 to arrange an alternative.

MORE STOCK TAKE DETAILS!

Remember all members who participate in a stocktake duty are eligible to borrow a toy over the December and January break. Please note due to time differences members who attend the 'puzzle stocktake' are not eligible to borrow green spot toys over the Christmas break.

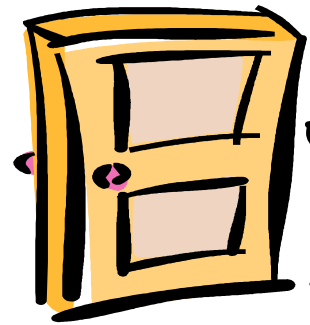

We also have a \$50 Chadstone gift card which will be drawn from all members who do a stocktake duty. This card will be drawn on Sunday 4th December at 12pm. The winner will be notified!

We respectfully ask that you do not bring your children along to this stocktake as it is a very busy and hectic time and stay for the duration of your duty time. We also ask that you return your toys BEFORE the stocktaking weekend as there will be no return station set up nor the time.

We look forward to a fun weekend which will include coffee, tea and cake and don't forget to bring some cash along with you as we will be selling old toys that are no longer suitable for the library, at a very reasonable price!

Be careful with the door!

The toy library has recently had to pay for damages to our store room doors as wood was split from the door frame. This damage was making closing and locking the doors very difficult. It was obvious that this was caused by a trolley knocking into the door frame. So when on duty next please ensure you open both doors and do not leave the key sitting in the lock.

ANOTHER BALANCE BIKE!

We have purchased another balance bike as the other one was so popular! The YBIKE has been designed with safety in mind to help your child build the skills, balance and coordination needed to ride a big-kid bicycle. The larger wheels produce a safer ride on uneven surfaces. We hope your child/ren love it when you get the change to borrow it!
